WELCOME on-board

Tuesday 15th April

We are starting our day today, with the beautiful Black Mountains as a backdrop, visiting the market town of Abergavenney in Monmouthshire—on market day!

Onwards a short coach ride away to Symonds Yat where we relax on a 45min cruise on the River Wye, famous for its river scenery, with tea & coffee.

Wednesday 16th April

Get ready for an interesting day today as we travel across to Wales for a Guided Tour of the award winning Royal Mint Experience in Pontyclun. The only place in the world where United Kingdom's coins are made. We go behind the scenes to follow the journey of a coin from a blank to a bank in the guided factory experience. See and hear the sights and sounds of the glistening new coins, hot off the press!

Thursday 17th April

We are staying local today in the Forest of Dean, starting with a very short journey to the centre of Coleford, *The Pride of the Forest*. A charming market town with a long & rich history. Wander the streets with independent shops, cafes & gift shops with their Georgian facades.

Before lunch we are travelling half an hour into the Forest of Dean to The Dean Heritage Centre, where there is a chance for you to get lunch in their café before exploring your way through time from the pre-historic, royal medieval hunting forest to how the community coped during WW2. Wander the collection of galleries telling the stories of the Forest of Dean's industrial legacy from the Victorian times onwards, the Dean's mining past, cottage crafts such as cobbling, carpentry & blacksmithing, step back in time in the Victorian classroom & forresters cottage.

Friday 18th April

Time to check out of our home for this week and travel homewards with comfort stops enroute.
